

Medal Winning Wines

2010 Cincinnati International Wine Festival

Each winery participating in the 2010 Cincinnati International Wine Festival is permitted to enter only a selection of its wines into our competition. We congratulate our medal winners, who earned their awards in direct, blind comparison with wines of the same variety or region. Many of the wines poured this evening have already won numerous medals and awards at competitions around the globe. The Cincinnati International Wine Festival encourages you to select from our many offerings and judge each wine for yourself.
