% French:	/
Release date:	Year 2010 for 2009 vintage
UPC code:	8003503016020
Alcohol:	12%

WINEMAKER NOTES

Production area

The organic grapes are cultivated on the beautiful hills surrounding the city of Chieti.

Time of Harvest

September

Wine making

Soft pressing of the grapes. The fermentation takes place at low temperature in steel tanks. Malolactic fermentation is prevented. The wine is refined in stainless steel tanks for a few months, then it stays in the bottle for one more month before its release. This wine is certified organic by CCPB S.R.L., Bologna, Italy.

Sensory evaluation

Straw yellow in color. On the nose it displays aromas of apple flowers. On the palate it is dry, medium bodied, with a well balanced acidity. The finish is quite long and elegant.

Food pairing suggestions

Very good as an aperitif, as well as with salads, appetizers and shellfish and all sea- and lake fish.
