## WHITE TRUCK CENTRAL COAST 2008 CHARDONNAY

“Luscious, crisp pear and apple fill the mouth as exotic tropical citrus flavors add just the right horsepower. Our bright Chardonnay grapes come from the renowned California Central Coast where fruit ripens at an even pace. Warm days and cool evenings encourage large berries with rich, exotic flavors.

Try pairing this unoaked Chardonnay with poached chicken, creamy pastas, and roast ham.”

~John Allbaugh, Winemaker
