BUYING GUIDE

BEST BUYS

88 **Masked Rider 2009 Pinot Noir (California).** With good acidity, a silky mouthfeel and a dry finish, this is a pretty good Pinot Noir. It's more balanced than many Pinots costing two or three times as much, which makes it a great value. The flavors are of raspberries, cherries and red currants, with a touch of oak. **Best Buy.** —S.H.
