NAPA RIDGE

What: Napa Valley varietal wines at affordable prices.

Standout: Scents of cut grass and green onions give the 2007 Napa Valley Sauvignon Blanc a light, crisp and refreshing feel.

Where: The winery itself, and its namesake Napa Valley Ridge, are part of Classic Wines of California; the grapes are all Napa Valley appellation certified.

When: Chill the Sauvignon for summer shellfish or a simple salad; pull out the '07 Napa Valley Petite Sirah for burgers.
